DEATH OF MR. OWEN M. FURR.

Our whole community was shocked, on Wednesday afternoon, when the sad news came that Mr. Owen M. Furr, oldest son of Capt. Chas. C. and Mrs. Kate O. Furr, had passed away at his home on Third street, this city.

Mr. Furr was 84 years old last June, and had been a letter carrier for the last sixteen years. He was a genial, companionable and upright young man, true to his convictions of right, who made friends wherever he was known. He had served one term as President of the State Letter Carriers' Association. Was a Knight Templar and an Elk.

He had not been very strong for some time, complaining of rheumatism in his legs. On Sunday last he was taken sick, but, although feeling badly, was on the street Monday. That afternoon he was taken down again and gradually sunk until the end came.

He was a member of the Christian Church.

The shock to his father, Capt. C. C. Furr who was at Martinsville, Ind., being treated for rheumatism; and to his brother, Mr. Weston D. Furr, who was en route to Mackinac, Mich., for his vacation, was simply crushing.

He leaves a father, mother and two brothers to mourn his untimely end, besides a host of friends, who had been won by his obliging and kindly nature.

The funeral services will be conducted by Rev. C. R. Hudson, from the Christian Church, at 3:30 o'clock.

MADE FROM NATIVE ROOTS.

SAFE AND RELIABLE.
That the roots of many native plants, growing wild in our American forests, possess remarkable properties for the cure of human maladies is well proven. Even the untutored Indian had learned the curative value of some of these and taught the early settlers their uses. The Indian never liked work so he wanted his squaw to get well as soon as possible that she might do the work and let him hunt. Therefore, he dug "papoose root" for her, for that was their name for the root, for male weakness. Dr. Pierce uses the same root—called Blue Cohosh—in his "Favorite Prescription," skillfully combined with other agents that make it more effective than any other medicine in curing all the various weaknesses and painful derangements peculiar to women. Many afflicted women have been saved from the operating table and the surgeon's knife by the timely use of Doctor Pierce's Favorite Prescription. Tenderness over the lower pelvic region, with backache, spells of dizziness, faintness, bearing down pains or distress should not go unheeded. A course of "Favorite Prescription" will work marvelous benefit in all such cases, and generally effect a permanent cure if persisted in for a reasonable length of time. The "Favorite Prescription" is a harmless agent, being wholly prepared from native medicinal roots, without a drop of alcohol in its make up, whereas all other medicines, put up for sale through druggists for woman's peculiar ailments, contain large quantities of spirituous liquors, which are very harmful, especially to delicate women. "Favorite Prescription" contains neither alcohol nor harmful habit-forming drugs. All its ingredients are printed on each bottle wrapper. It is a powerful invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. For weak and sickly women, who are "worn-out," or debilitated, especially for women who work in store, office, or school-room, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

For constipation, the true, scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure.

CORRECTION.

Editor Roundabout:

I ask space to correct statement in this morning's Journal that Franklin Association endorsed Gov. Beckham. Such is NOT THE FACT. The resolution simply commended the action of the Legislature in passing the County Unit Law and the enforcement of other laws.

So far from endorsing Gov. Beckham, there were, but very few Beckham men present, and such a thing would not be allowed.
